

Academic Year 2024-2025

1) Student Success – Plant Well-being

Awarded: \$1,100.00

Project Description: Purchase plants to cultivate green spaces within Frazee Hall, which is home to many student facing offices and programs, to contribute to an environment that is restorative and beneficial to each individual's sense of calm.

2) The Counseling Center – Welcoming Beauty

Awarded: \$3,000.00

Project Description: Obtain artwork and plants to add beauty, vitality and cultural stimulus to the Counseling Center, in the hope of directly improving the wellbeing of students and employees.

3) The Center for Academic Resources and Enrichment Services (CARES) – Artistic Expression of Beauty

Awarded: \$5,000.00

Project Description: Obtain artwork and plants to beautify the student spaces within CARES used for studying, tutoring, group activities, enrichment activities and mental and physical relaxation.

4) Stuckert Career Center – Grounds Beautification

Awarded: \$5,000.00

Project Description: Update the landscaping that surrounds the front and back of the building to create a positive and welcoming environment for students, faculty, staff and guests.

5) Libraries – Space Saver Museum Cabinet

Awarded: \$6,000.000

Project Description: Purchase an archival museum cabinet with a showcase display top.

6) College of Nursing – We are the Why Wall Mural

Awarded: \$6,000.00

Project Description: Install a vinyl wall mural, designed by nursing students in collaboration with the College of Design, to promote a sense of belonging for students.

7) College of Fine Arts – Photo Wall Wraps and Moss Art

Awarded: \$6,592.00

Project Description: Install photo wall wraps consisting of images of students in various stages of creating and install a moss wall.
